

As I look back on all that's happened...growing up, growing together, changing you, changing me -- there were times when we dreamed together, when we laughed and cried together. As I look back on those days, I will realize how much I truly miss you. The past may be gone forever... and whatever the future holds, our todays make the memories of tomorrow. So, my lifetime friend, it is with all my heart that I send you my love, hoping that you'll always carry my smile with you, for all we have meant to each other and for whatever the future may hold.
