Objective	To serve as the 2009-2010 National Programs Chair for the National Society of Black Engineers.	
Experience	National Society of Black Engineers, MIT Chapter <i>Chairman of the Chapter, April 2008 – April 2009</i> ▪ Represented the chapter on the Office of Minority Education's Student Advisory Council. ▪ Redeveloped the chapter to more closely resemble to executive structure of the Regional and National Executive Boards. ▪ Raised more than \$40,000 to support chapter programs and initiatives, to supply PCI and Collegiate scholarships, and to cover travel costs to all major conferences and conventions. <i>Vice-Chairman of the Chapter, April 2007 – April 2008</i> ▪ Organized and directed all of the Chapter's General Body Meetings. ▪ Organized a Black Undergraduates in Engineering and Science (BLUES) Research Colloquium to combat the low number of Blacks involved in undergraduate research. ▪ Developed and implemented a Steering Committee to supply a 'checks & balances' system for the chapter's general body and executive board. <i>Chairman of the Freshman Committee (Leadership 101), September 2005 – June 2006</i> ▪ Coordinated all social programs and activities involving the chapter's general body. ▪ Organized the Freshman Committee's development of the chapter's chant and t-shirt design for the academic year.	Cambridge, MA
Relevant Experience	Committee on Academic Performance, MIT <i>Voting Member (Student Advocate), September 2008 – Present</i> ▪ Served as a voting member of the CAP, a standing faculty committee concerned with the academic performance of all undergraduate students. ▪ Acted on petitions from students requesting exceptions to established academic standards. ▪ Put forward recommendations for candidates to be awarded S.B. Degrees. ▪ Made decisions regarding academic warnings and required withdrawals from MIT. New West Campus Housing (Dormitory), MIT <i>President/Residential Assignment Chair, January 2007 – December 2008</i> ▪ Represented more than three-hundred students on the institute-wide Dormitory Council. ▪ Developed policy for the selection of freshman dorm assignments and living arrangements. Office of Minority Education, MIT <i>Office Assistant & Program Coordinator (April 2006-Present)</i> ▪ Organized participation from the OME Industrial Advisory Council for Minority Education in the Second Summer Program, a group-based design program for freshmen. ▪ Served as head office worker for the Interphase Program: a seven and a half week summer program for incoming freshmen that provides educational enhancements and development in preparation for student life.	Cambridge, MA
Awards	National Society of Black Engineers, Region 1 Member of the Year (2009) National Society of Black Engineers, Ambassador for Referring 12 (2009) NSBE-MIT, Sophomore of the Year (2007)
